THE VENUE

Steeped in warm ambiance and characterised by its snug interior, dim lighting, and inviting decor, Alltime Social exudes an undeniable sense of intimacy perfect for private functions and events.

One of the distinctive features of our space is the raw cement wall adorned with a projector.

This adds a unique touch, allowing for personalised displays or entertainment to enhance your event. Whether it's showcasing memories, presentations, or visuals that set the mood, this feature adds an element of modernity while maintaining the intimate, homely ambiance.

The focal point of the interior is a carefully curated bar, boasting an impressive selection of craft cocktails, fine wines, and artisanal spirits. Skilled mixologists are at the ready to craft personalized drinks, ensuring a delightful and memorable experience for all your guests.

Amidst the inviting atmosphere, you'll find carefully selected art pieces and subtle touches that add character and personality to the space. The soothing background music further enhances the overall ambiance, complementing the intimate setting and ensuring a relaxed and enjoyable time.
